The Game Is Light Years Ahead, But It Comes Out This Month.

The game is Touchdown Fever*. A day-in, day-out, year-in, year-out football game unique to the game business.

To compare this game with any other game in the business today would be like comparing chalk and slate with electric typewriters.

It's that advanced.

The player has all the power of an NFL coach, directing each and every move of eleven men on every play. On every play, over a quarter-million results are possible.

That's what makes this game the first real game. The proof is simple: try to drag a real football coach away from this game!

Or anybody else.
